What works in your kitchen

Start with the foods, drinks, and routines that already fit your household.

Foods they enjoy

Drinks they enjoy

Textures and serving preferences

Things to remember next time

Your week at a glance

Plan around your calendar and the time you have.

Monday

Tuesday

Wednesday

Thursday

Friday

Saturday

Sunday

A little planning goes a long way

Choose one or two things to prepare ahead.

Meals that can share ingredients

Ingredients to prepare once

Leftovers you can use again

What to pick up at the store

Everyday kitchen notes

Keep track of ideas that made a day easier.

What worked well

What we would change

A drink worth repeating

One idea for next week
